At the Funfair

It was 19th July – Max's birthday! Max liked going to the funfair, so he asked Harry to go with him. Harry gave Max a baseball cap for his birthday. Max put his new hat on.

First, the boys went on the go-karts. Then, they went on the rollercoaster. Last, they went on the big wheel. They had lots of fun! But after the big wheel, Max stopped and touched the top of his head.

When did you last see it?

I don't know ...
Oh, yes, I had it on
the rollercoaster.

OK, let's go and look there.

Max and Harry quickly ran back to the rollercoaster.

Max saw his baseball cap on the bridge.
It was very high. The rollercoaster stopped
and a man got the hat for Max.

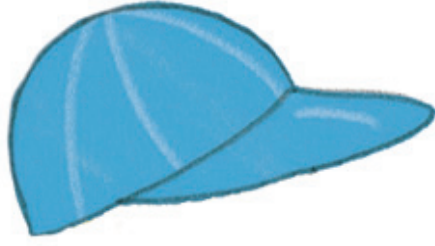

Look and match.

The Animal Party

The Animal Party

My birthday is 25th April. Last year, I had a birthday party. I like animals, so I had an animal party. I gave invitations to all my friends. I asked them to dress up in costumes.

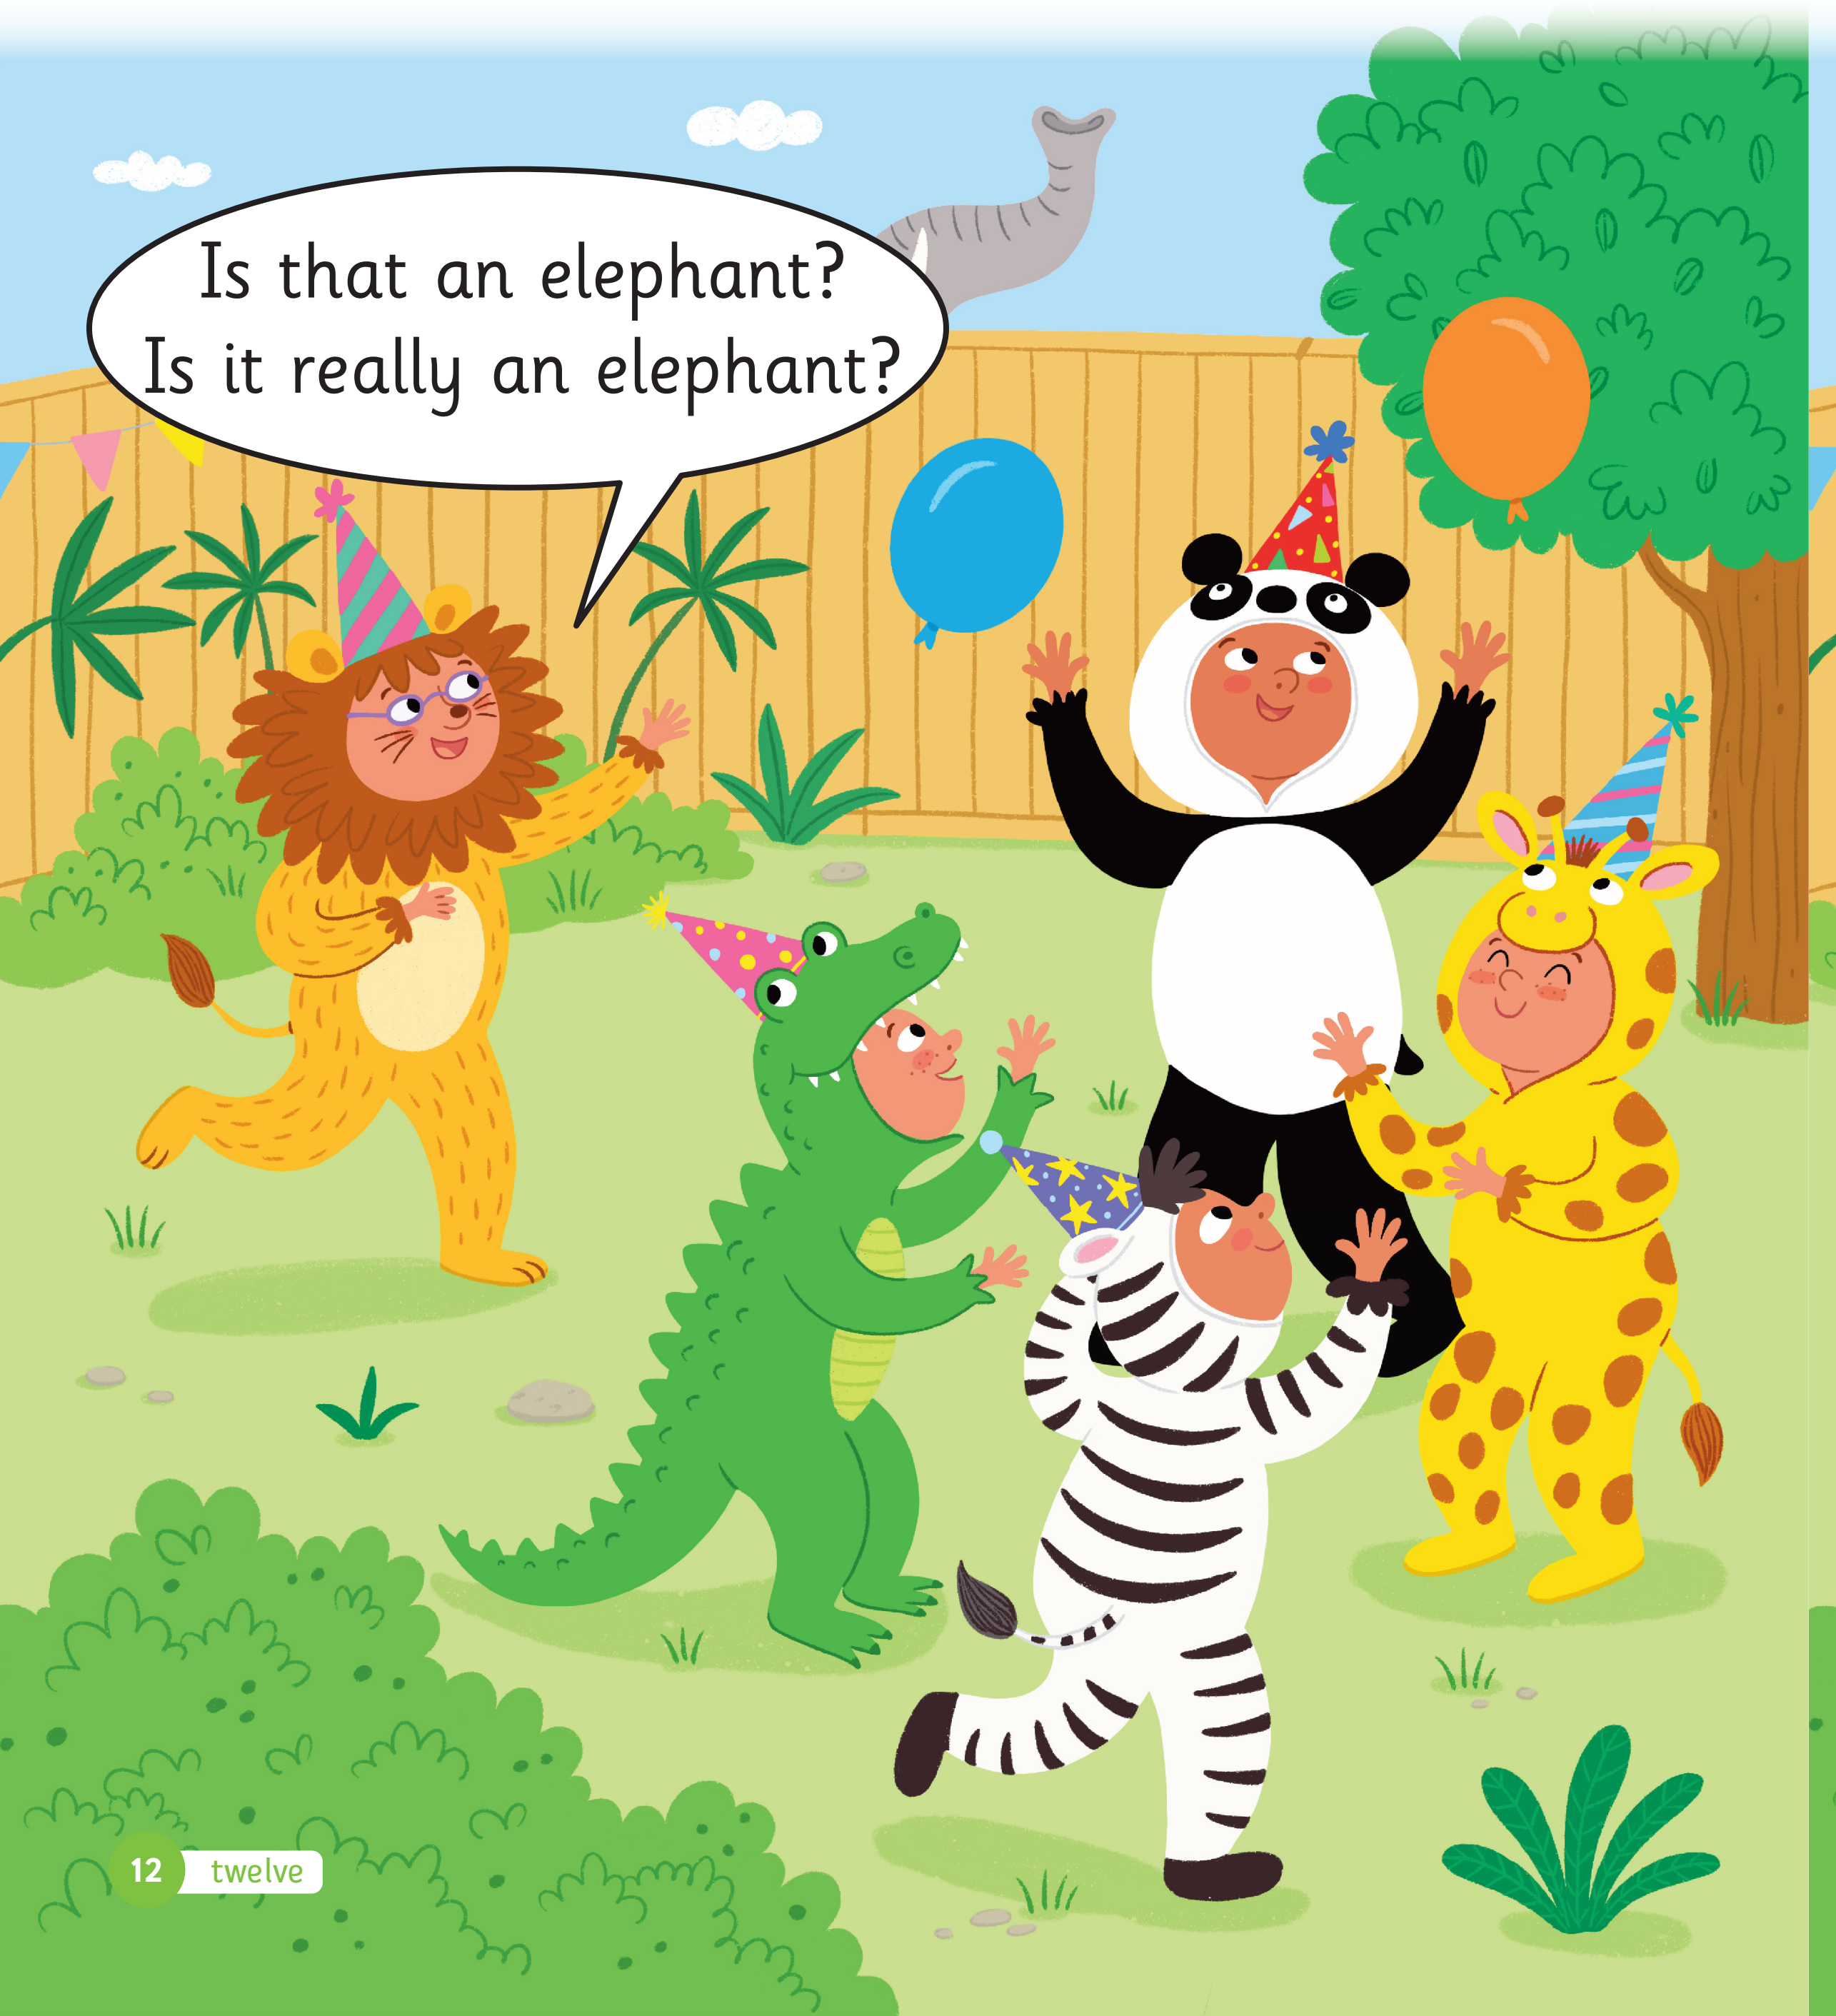

My friends all wore different animal costumes. They dressed up as a black and white zebra, an orange giraffe, a green crocodile and a black and white panda. I was a lion. We had a delicious buffet. We ate big burgers and little animal cakes. We drank chocolate milkshake.

After the buffet, we went in the garden and we played party games. I loved the party games. We had lots of fun. Then I saw something. It was behind the gate.

Is that an elephant?
Is it really an elephant?

I was wrong. It wasn't an elephant at all.
It was Dad! It was his amazing elephant
costume. He had a large birthday cake for me.
My favourite animal was on top of the cake.

Happy birthday!
I made this lion
cake for you.

It's very special.
Thank you, Dad!

Look, match and say.
